

My name: Maricruz Rojas Aguila

Hello Koe!! How are you?

I'm fine, I writing this letter for give thank you, at you and all people that work in Koe.

When I started to come here, was difficult for me understand the english, little by little i learning, still is difficult for me, but Koe has been good for me.

I like the form to teaching here, not is the same the other schools, here no is mechanic is more natural, the monitoring and monitors are dinamic, the examples that they using in the sessions help for understand better each module.

I like the program and I dont have more dor to say at the moment.

See you later....

Atte. Maricruz Rojas Aguila

P.D. I apologize for the writing and structure; I'm still not very good writing in english.
