After have completed the intermediate level, I am so proud of me cause I have seen a bigger change.

I want to tell that the method that use is great, easy and unique, mbecause learn playing is a way more appropriate and relaxed and not stressful, so for this reason you learn and never get bored. The activities that offer are very funny and the people old and yopung enjoy the monitors, I want to say that the teacher that teach are incredible, are patients and always help us.
