Hi everybody

Since I was a child, I feel admiration every day of my life all the people that speaks English very well and I dreamed that one day speak English finally.

I can read English language since I become in a middle superior school student, more over never I tried speaking to my first travel to USA since twenty four years ago. Those amazing experience marks my life.

I hope speak English too soon with a little help for my KOE teachers. All of them are very professional and I feel deep admiration of them.

I know that is necessary attend the exercises and homework's utilized the materials and books "Fast & Easy" of KOE Corporation but my job impedes take enough time for advance most fast. But I tried (I swear!).

Thanks a lot for every one of you KOE teachers!
